Dear Pinar,

Further to our telephone conversation concerning TRT's verbal request that we withdraw the shooting item. I have added the following to the TRT scripts items at 1632 and 1639 GMT:

Urgent note: TRT have asked us to withdraw the shooting item (EVN at 1632 and repeated at 1639 GMT). This is not practicable as Members have already used the TRT cover, but we want to inform Members of this TRT request. We appreciate that this update is well after the fact.

With kind regards  
Julian
